Is anyone expected to be in house while we're working?

Are your pet(s) up-to-date on vaccinations? If not, why?

Because of power outages, we need non-mechanical access to the house;

We require 2 keys ready at time of meet & greet, or to have keys delivered to us.

If you don't have keys, please make sure your emergency contact does in the event we are locked out and need to contact them.
